

114TH CONGRESS
1ST SESSION

H. R. 539

To amend part B of title III of the Public Health Service Act to improve essential oral health care for lower income individuals by breaking down barriers to care, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

JANUARY 27, 2015

Ms. KELLY of Illinois (for herself and Mr. SIMPSON) introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To amend part B of title III of the Public Health Service Act to improve essential oral health care for lower income individuals by breaking down barriers to care, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*

2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Action for Dental

5 Health Act of 2015”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1 (1) More than 181 million Americans will not
2 visit a dentist even though nearly half of people over
3 30 suffer from some form of gum disease and nearly
4 one in four children under the age of five already
5 have cavities.

6 (2) Many volunteer dental projects sponsored
7 by national, State, and local dental societies provide
8 free care now to those most in need. Annually, den-
9 tists deliver an estimated \$2.6 billion in free and dis-
10 counted care according to the America's Dentists
11 Care Foundation.

12 (3) It is estimated that emergency department
13 (ED) charges for dental complaints totaled up to
14 \$2.1 billion in 2010. Nearly 80 percent of the dental
15 emergency room visits were nonurgent and could
16 have been seen in a dental office. Shifting those ED
17 visits to a dental office translates into potential cost
18 savings of up to \$1.7 billion a year and offers the
19 possibility of establishing a "dental home" for these
20 individuals.

21 (4) Seniors, especially those in nursing homes
22 and long-term care facilities, often have special den-
23 tal needs and complicated medical histories that re-
24 quire consultation between dentists and fellow med-

1 ical professionals in providing an interdisciplinary
2 approach to their overall health needs.

3 **SEC. 3. VOLUNTEER DENTAL PROJECTS AND ACTION FOR**
4 **DENTAL HEALTH PROGRAM.**

5 Part B of title III of the Public Health Service Act
6 is revised by amending section 317M (42 U.S.C. 247b–
